TERMS AND CONDITIONS

This Agreement is an agreement between you and AGOPOLIS Coin, an exempted company incorporated and registered in the Cayman Islands, (collectively referred to as the "Parties", each a "Party") which contains the terms and conditions of the loan and governs your acquisition of AGOPOLIS Coin cryptographic tokens.

ATTENTION: Please read these Terms carefully before proceeding with registration and transferring Cryptocurrency. After any Cryptocurrency transfer you will be deemed to have unconditionally accepted these Terms.

NOW, THEREFORE, in consideration of the mutual representations, warranties and agreements contained in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, AGOPOLIS Coin hereby agrees as follows:

1. Terms

1.1 The following terms used in these Terms have the meanings set forth in this paragraph:

- 1.1.1. "Account" – personal account on the Website for keeping and transferring Cryptocurrency and Tokens;
- 1.1.2. "Agreement" or "Terms" – this agreement and the terms and conditions contained herein and any other rules, policies or procedures that may be issued by AGOPOLIS Coin and published from time to time on the Website in relation to this Agreement;
- 1.1.3. "Bonus token" – additional Tokens granted to the User by the Company;
- 1.1.4. "Company" – AGOPOLIS Coin, an exempted company incorporated and existing under the laws of Cayman Islands, having its principal place of business Etienne Blake Corporate Services Limited, 3rd Floor, 31 Warwick Drive, P.O. Box 2469, George Town, Grand Cayman KY1-1104, Cayman Islands;

- 1.1.5. “Cryptocurrency” – digital currency, represented by Bitcoin (BTC), Eosio (EOS), Ethereum (ETH), Litecoin (LTC) and Ripple (XRP);
- 1.1.6. “EOS” or “Eosio” – value token of the Eosio blockchain called “EOS”;
- 1.1.7. “Eosio” or “Eosio platform” – the open-source, public, blockchain-based distributed computing platform featuring smart contract (scripting) functionality;
- 1.1.8. “Exchange Rate” – rate of exchange reflecting the cost of the Cryptocurrency, expressed as a fiat currency or another Cryptocurrency that is, in any case, published on <https://bitstamp.net/> or another reputable exchange;
- 1.1.9. “KYC procedures” or “Know Your Customer” – Anti-money laundering procedure used by the Company to determine the true identity of the Users in accordance with all applicable laws and regulations;
- 1.1.10. “User” – A legally capable person who accepts the Agreement and is not resident of the Restricted areas;
- 1.1.11. “Receiving Blockchain Address” - any address used by the Company to accept Cryptocurrency under the Terms;
- 1.1.12. “Tokens” or “AGOPOLIS Coin Tokens” or “AGOPOLIS Coin cryptographic tokens”- cryptographic tokens, which are software digital products (not being cryptocurrency), created by the Company as proof of a portion of rights of the User under the Agreement. A Token carries no rights, expressed or implied, other than those, set out in this Agreement; The mentioned AGOPOLIS Coin Tokens are not securities, are not registered with any government entity as a security, and shall not in any case be considered as such. AGOPOLIS Coin Tokens are not intended to be a commodity or any other kind of financial instrument, do not represent any share, stake or security in the Company or equivalent rights, including, but not limited to, any intellectual property rights, and do not represent any ownership right;
- 1.1.13. “Wallet” – a solution, enabling users to store, send and receive Cryptocurrency and AGOPOLIS Coin Tokens;
- 1.1.14. “Website” – the website and any sub-domains of this site maintained and owned by the Company at <https://agopoliscoin.com>.

2. Acceptance of the Terms

- 2.1. The text of the Agreement is available at all times on the Website under URL: (<https://agopoliscoin.com/wp-content/themes/agopolis/terms/AGOPOLISCOIN-TERMS&CONDITIONS.pdf>).
- 2.2. The offer to conclude the Agreement is considered as duly accepted after the User completes the following within the Period:
 - 2.2.1. Registration as a user on the Website; and
 - 2.2.2. Transferring Cryptocurrency to the Receiving Blockchain Address specified in the Account of the User and that transfer being confirmed on the appropriate blockchain.

3. The transfer of the Tokens

- 3.1. Possession of a Token equates to ownership of the User’s rights under the Terms.
- 3.2. The Parties agree that the User may assign its rights under the Terms fully or in part by transferring Tokens to a third party.

- 3.3. The transfer of a Token equates to assignment of User's rights under the Terms. The transfer of a Token retains this effect notwithstanding the lack of contractual relationship between the transmitter and the receiver. Any circumstances that might cause any kind of defect relating to a Token transfer contract, such as being void, defeasibility, rescission and others, shall not affect the Company. The consequences of any defect relating to a Token transfer contract shall be limited to relationships between the transmitter and the receiver.
- 3.4. Any rights attached to a Token may be exercised only by the holder of a Token; no other person shall receive anything that is due to a User under the Terms. The payments or any delivery under the Terms that are meant for a User are to be made in favor of the holder of a Token. The Company cannot be obligated to treat any person other than the holder of Tokens as a User. No payment or delivery shall be made to a person not holding Tokens, even in the event of involuntary loss of a Token.
- 3.5. A person holding a Token shall be bound by these Terms whether or not they are the recipient of such Token as a result of a transfer.

4. Indemnities and warranties

- 4.1. Indemnities and warranties on the part of the Company:
 - 4.1.1. The Users bear all risks they are exposed to due to the acquisition of Tokens including, but not limited to, the loss of any profits, savings, price volatility, hacker attacks, unauthorized access to the Account and Wallet or adverse regulatory activity.
 - 4.1.2. The risks associated with the acquisition of Tokens are considerable. The costs relating to the acquisition of Tokens will not be indemnified under any circumstances by the Company; to the maximum extent permitted by law, the Users waive all related rights hereto granted by any applicable law.
 - 4.1.3. The demand for Tokens on the secondary market is not guaranteed.
 - 4.1.4. In the event of a Force Majeure event (pursuant to par. 5.5) the parties may suspend the performance of their respective obligations under the Terms.
 - 4.1.5. No information issued by the Company under any circumstances or at any time shall be perceived or treated as a representation or warranty. No statement of the Company, or any affiliate of the Company, shall have that effect.
- 4.2. Indemnities and warranties on the part of the User:
 - 4.2.1. The User warrants and represents that he or she is capable, has all power and authority (in each case under all applicable laws) to enter into the Agreement and be bound by the Terms and acknowledges the risk of using the Website.
 - 4.2.2. The User warrants and represents that he or she is aware of the Terms, has thoroughly read them and consented to them.
 - 4.2.3. The User warrants and represents that at the time of acquiring the Tokens he or she is aware of how to use the Account, make transactions and manage software functions.
 - 4.2.4. The User warrants and represents that their habitual residence or their jurisdiction of incorporation is not situated in the Restricted Areas (pursuant to par. 8).
 - 4.2.5. The User warrants and represents that he or she does not and will not use the Website or the Tokens for illegal purposes, including money laundering of criminal proceeds, transfer or receipt of payment for planning, preparation or commitment of crime, or for financing terrorism and illegal trade.
 - 4.2.6. The User warrants and represents that he or she will provide only truthful, actual information regarding himself or herself while undergoing the registration and verification procedure on the Website (including when complying with the Company's KYC procedures).

- 4.2.7. The User warrants and represents that he or she will not disclose or transfer to third parties or store without adequate security measures his or her Account details.
- 4.2.8. The User warrants to the Company that the User will not use the Website or the Tokens for any purpose that is unlawful or prohibited by these Terms. The User may not use Tokens in any manner that could damage, disable, overburden, or impair the Tokens or the Website.

5. Liability

- 5.1. To the maximum extent permitted by applicable law, the Company and its affiliates and their respective officers, employees or agents will, in relation to the Website and Tokens, not be liable to the User or anyone else for any damages of any kind, including, but not limited to, direct, consequential, incidental, special or indirect damages (including but not limited to lost profits, loss of revenue or third party loss whether foreseeable or otherwise, trading losses or damages that result from use or loss of use of the Website and Tokens), even where the Company has been advised of the possibility of such damages or losses, including, without limitation, from the use or attempted use of the Tokens or the Website.
- 5.2. Further, to the maximum extent permitted by applicable law, neither the Company nor any of its affiliates or licensors will be responsible for any compensation, reimbursement, or damages arising in connection with: (a) the User's inability to use the Website or Tokens, including without limitation as a result of any termination or suspension of the EOS network or this Agreement, including as a result of power outages, maintenance, defects, system failures or other interruptions; (b) the cost of procurement of substitute goods or services; (c) any investments, expenditures, or commitments by the User in connection with this agreement or the User's use of or access to the Website and Tokens; or (d) any unauthorized access to, alteration of, or the deletion, destruction, damage, loss or failure to store any data, including records, private key or other credentials, associated with the Website and Tokens.
- 5.3. The User will defend, indemnify, and hold harmless the Company, its affiliates and licensors, and each of their respective employees, officers, directors, and representatives from and against any and all claims, damages, losses, liabilities, costs, and expenses (including reasonable attorney fees) arising out of or relating to any third-party claim concerning this Agreement or the User's use of the Website and Tokens contrary to these Terms. If the Company or its affiliates are obligated to respond to a third-party subpoena or other compulsory legal order or process described above, the User will also reimburse the company for reasonable attorney fees, as well as the company's employees and contractors' time and materials spent responding to the third-party subpoena or other compulsory legal order or process at reasonable hourly rates.
- 5.4. The information, software, products, and services included in or available through the Website may include inaccuracies or typographical errors. Changes are periodically added to the information herein. The Company and/or its suppliers may make improvements and/or changes to the Website at any time. The Company makes no representations about the suitability, reliability, availability, timeliness, and accuracy of the Website, AGOPOLIS Coin Tokens, information, software, products, services and related graphics contained on the Website for any purpose. To the maximum extent permitted by applicable law, the Website and Tokens, all such information, software, products, services and related graphics are provided "as is" without warranty or condition of any kind. The Company hereby disclaims all warranties and conditions with regard to the Website and Tokens, information, software, products, services and related graphics, including all implied warranties or conditions of merchantability, fitness for a particular purpose, title and non-infringement.
- 5.5. The User understands and agrees that Company shall not be liable and disclaims all liability to the User in connection with any "Force Majeure event", including acts of God, labor disputes or other industrial disturbances, electrical, telecommunications, hardware, software or other utility failures, software or smart contract bugs or weaknesses, earthquakes, storms, or other nature-related events, blockages, embargoes, riots, acts or orders of government, acts of terrorism or war, technological change, changes in interest rates or other monetary conditions, and, for the avoidance of doubt, changes to any blockchain-related protocol.

6. Risks

- 6.1. You acknowledge that you have been warned of the following risks, associated with the regulatory environment, the Company's financial performance, the Website, the Cryptocurrencies, the Tokens and other relevant technologies mentioned herein:
 - 6.2.1. Legal risks regarding securities regulations.

There is a risk that in some jurisdictions the Tokens and Cryptocurrencies might be considered to be a security, or that they might be considered to be a security in the future. The Company does not give warranties or guarantees that Tokens are not a security in all jurisdictions. Each user of Tokens shall bear its own legal or financial consequences of Tokens being considered a security in their respective jurisdiction. Every user is bound to check if the acquisition and disposal of Tokens is legal in its relevant jurisdiction, and by accepting these Terms each user undertakes not to use Tokens, should their use not be legal in the relevant jurisdiction. If a user establishes that the use of Tokens under these Terms is not legal in its jurisdiction, it should not use the Tokens, not acquire them and should immediately stop using or possessing them if such case arises. Acquiring Tokens in exchange for Cryptocurrency will most likely continue to be scrutinized by various regulatory bodies around the world, which has so far given mixed reactions and regulatory impact. The legal ability of the Company to provide Tokens in some jurisdictions may be eliminated by future regulation or legal actions. In the event that Tokens are not legal in certain jurisdictions, the Company will either a) cease operations in that jurisdiction, or b) adjust Tokens in a way to comply with the regulation should that be possible and viable.

6.2.2. Risk of unfavorable regulatory action in one or more jurisdictions.

Blockchain technologies have been the subject of scrutiny by various regulatory bodies around the world. The functioning of the Eosio network and associated blockchain networks and Cryptocurrencies and Tokens could be impacted by one or more regulatory inquiries or actions, including but not limited to restrictions on the use or possession of digital tokens like Tokens, which could impede or limit their existence, permissibility of their use and possession, and their value.

6.2.3. Risks associated with Eosio.

Tokens are based on Eosio blockchain. As such, any malfunction, unintended function or unexpected functioning of the Eosio protocol may cause the Tokens to malfunction or function in an unexpected or unintended manner. Ether, the native unit of account of the Eosio may itself lose value in ways similar to Tokens, and also other ways.

6.2.4. Risk of theft and hacking.

Hackers or other groups or organizations may attempt to interfere with the User's Account, User's Wallet, the Website or the availability of Tokens and Cryptocurrencies in any number of ways, including without limitation denial of service attacks, Sybil attacks, spoofing, smurfing, malware attacks, or consensus-based attacks.

6.2.5. Risk of security weaknesses in the Website and Tokens source code or any associated software and/or infrastructure.

There is a risk that the Website and Tokens may unintentionally include weaknesses or bugs in the source code interfering with the use of or causing the loss of Tokens.

6.2.6. Risk of weaknesses or exploitable breakthroughs in the field of cryptography.

Advances in cryptography, or technical advances such as the development of quantum computers, could present risks to Cryptocurrencies, Eosio and Tokens, which could result in the theft or loss of Tokens.

6.2.7. Risk of mining attacks.

As with other decentralized cryptocurrencies, Eosio blockchain, which is used for the Tokens, is susceptible to mining attacks, including but not limited to double-spend attacks, majority mining power attacks, "selfish-mining" attacks, and race condition attacks. Any successful attacks present a risk to the Tokens, expected proper execution and sequencing of Tokens, and expected proper execution and sequencing of Eosio contract computations in general. Despite the efforts of the Company and Eosio, the risk of known or novel mining attacks exists. Mining attacks, as described above, may also target other blockchain networks, with which the Tokens interact with and consequently the Tokens may be impacted also in that way to the extent described above.

6.2.8. Risk of low or no liquidity.

Even though there are currently online services available, which enable the possibility of exchange of cryptographic tokens between themselves, and also, some of them enable exchange of cryptographic tokens for fiat money, there are no warranties and/or guarantees given that Tokens will be listed or made available for exchange for other cryptocurrency and/or fiat money, and no guarantees are given whatsoever with the capacity (volume) of such potential exchange. It shall be explicitly cautioned, that such exchange, if any, might be subject to poorly understood regulatory oversight, and the Company does not give any warranties in relation to any exchange services providers. User might be exposed to fraud and failure. In any case, the Company will not enable exchange of Tokens for other cryptographic tokens or for fiat currency. User may not at any given time be able to acquire or dispose of its Tokens due to lack of liquidity.

6.2.9. Risk of loss of value.

Value of Tokens may fluctuate and their holders might suffer loss in value of such acquired tokens. There might be different reasons that would cause unfavorable fluctuations of the value of the Tokens.

6.2.10. Risk of malfunction in the Eosio network or any other blockchain.

It is possible that the Eosio network or any other network, to which the Tokens are interacting with, malfunctions in an unfavorable way, including but not limited to one that results in the loss of Tokens.

6.2.11. Internet transmission risks.

You acknowledge that there are risks associated with using the Tokens including, but not limited to, the failure of hardware, software, and internet connections. You acknowledge that the Company shall not be responsible for any communication failures, disruptions, errors, distortions or delays you may experience when using the Website and Tokens, howsoever caused. You acknowledge that transactions in Cryptocurrency may be irreversible, and, accordingly, losses due to fraudulent or accidental transactions may not be recoverable. You acknowledge that Cryptocurrency transactions shall be deemed to be made when recorded on a public ledger, which is not necessarily the date or time when the transaction is initiated.

6.2.12. Unanticipated risks.

Cryptocurrencies and blockchains are new and untested technology. In addition to the risks set forth here, there are risks that the Company cannot foresee and it is unreasonable to believe that such risks could have been foreseeable. Risks may further materialize as unanticipated.

6.2.13. Insufficient interest in the Company and Tokens.

It is possible that the Company or Tokens will not be used by a large number of individuals, businesses and other organizations and that there will be limited public interest in the creation and development of its functionalities. Such a lack of interest could impact the development of the Company's platform.

- 6.3. The Tokens are provided "as is". The Company and its affiliates and licensors make no representations or warranties of any kind, whether express, implied, statutory or otherwise regarding the Tokens, including any warranty that the Tokens will be uninterrupted, error free or free of harmful components, secure or not otherwise lost or damaged. Except to the extent prohibited by law, the Company and its affiliates and licensors disclaim all warranties, including any implied warranties of merchantability, satisfactory quality, fitness for a particular purpose, non-infringement, or quiet enjoyment, and any warranties arising out of any course of dealings, usage or trade.

7. Jurisdiction, applicable law

- 7.1. The Terms and any legal relationship between the Parties arising out of or in connection with them shall be governed by and construed in accordance with the laws of the Cayman Islands without regard to its conflict of laws rules. The Parties settle all their disputes arising out of or in connection with the Terms in accordance with the laws of the Cayman Islands.

- 7.2. The Parties agree to try in good faith to settle through negotiations any dispute, disagreement or claim arising out of or in connection with execution, termination or rescission of this Agreement. The claiming party shall send a message with its claim to the other party. The message in question shall contain the essentials of the claim and evidence supporting such claim.
- 7.3. In the absence of a reply to the claim within 30 working days since the sending date, or if the Parties have failed to reach an amicable settlement, the dispute shall be brought and heard exclusively in appropriate court at the location of the Company's determination.

8. Restricted Areas

- 8.1. The Agreement and AGOPOLIS Coin tokens are not offered for use to natural and legal persons, having their habitual residence or their jurisdiction of incorporation in the following countries ("Restricted Areas"):
 - 8.1.1. The United States of America and any of its lands.
- 8.2. Natural and legal persons with their habitual residence or jurisdiction of incorporation from the Restricted Areas must not enter into the Terms.
- 8.3. The Company reserves its right to decide in its own discretion to adopt reasonable organizational and technical measures to ensure that the Tokens are not available to persons from Restricted Areas.
- 8.4. Due to the Tokens being offered on the internet (meaning both the world-wide web and the EOS blockchain) the Company understands that there is a possibility that there might be a certain "flowback" of Tokens to natural and legal persons with their habitual residence or jurisdiction of incorporation located in the Restricted Areas.
- 8.5. The Company consequently explicitly prohibits persons from Restricted Areas from using the Tokens. The Company shall not be held liable for any legal or monetary consequence arising from such use. Such persons using Tokens despite the prohibition shall on first request indemnify and hold harmless the Company from any legal or monetary consequence arising from their breach of the provision. Any person from a Restricted Area shall immediately stop using Tokens and leave the Website.

9. Personal data

- 9.1. The User agrees to the Company processing the personal data provided during the registration and the KYC procedure, including all or any of the following as the Company shall require:
 - 9.1.1. Name and surname;
 - 9.1.2. Country of residence/nationality;
 - 9.1.3. Scanned version of the government issued ID, that is valid for at least 6 months as of uploading date:
 - 9.1.3.1. Passport (double page)
 - 9.1.3.2. National ID card (both sides)
 - 9.1.3.3. Driving license (both sides)
 - 9.1.3.4. Date of birth (if not available on the ID document);
 - 9.1.4. Proof of residency, providing any of the following documents
 - 9.1.4.1. Bank statement of your current account
 - 9.1.4.2. Credit card statement

- 9.1.4.3. Loan-related documents from a bank
 - 9.1.4.4. Utility bill: water, electricity etc.
 - 9.1.4.5. Broadband home internet bill, landline phone bill, bundles etc.
 - 9.1.4.6. Tax return, council tax bill
 - 9.1.4.7. Government-issued certificate of residency.
- 9.1.5. Mobile phone number;
- 9.1.6. Photograph of you holding your ID document next to your face, with your head and shoulders visible;
- 9.2. The User shall comply with such requests by the Company for identification documentation as is required for the Company to comply with applicable Know Your Customer laws and regulations.
- 9.3. Any photocopies of documents showing photographs and signatures should be:
 - 9.3.1. Certified by a duly authorized individual (as required pursuant to applicable KYC procedures of the Company);
 - 9.3.2. Plainly legible; and
 - 9.3.3. Produced in high quality with the resolution not less than 300 dpi.
- 9.4. Any documents to be given pursuant to the KYC procedures must be in the English language. Those which are not made in English must be duly translated and certified by a notary.
- 9.5. The Company will verify the User identity according to information provided (pursuant to para. 9.1 through 9.4).
- 9.6. Processing of personal data is any operation or set of operations which is performed upon personal data, whether or not by automatic means, such as collection, recording, organization, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, blocking, erasure or destruction.
- 9.7. Processing of personal data is carried out in order to fulfill the Parties' obligations under the Agreement, registration of the User as a user of the Website, technical support, KYC procedures, consideration of complaints, information and other services.
- 9.8. The Company disclaims any obligation to the User if the User turns out to belong to one of the following groups of persons:
 - 9.8.1. Suspected or accused of money laundering, terrorist financing and other serious crimes or tried for these crimes;
 - 9.8.2. Subject to international or regional sanctions;
 - 9.8.3. Subject to assets freeze;
 - 9.8.4. Accused of mass human rights violation;
 - 9.8.5. Individuals who fall within the official financial sanctions orders of the United Nations, the Cayman Islands or any other relevant jurisdictions.
 - 9.8.6. Individuals who fall within the restricted areas (pursuant to par. 8).

- 9.9. The Company has the right to refuse to fulfill his obligations to the User if:
- 9.9.1. The Company has doubts concerning the User's identity;
 - 9.9.3. The Company in its absolute discretion does not consider the documents provided by the User (under para. 9) to be satisfactory or sufficient for the purposes of the Company's compliance with applicable laws and regulations, including without limitation User's passport and other documents, which are not made in English or are not duly translated and certified by the notary or the scanned copies of the documents are made in low quality with the resolution less than 300 dpi.
- 9.10. At any time the User is entitled to withdraw his or her consent for processing of personal data, ask for erasure or change of the personal data by sending to the Company an e-mail to the address info@agopoliscoin.com. The User acknowledges that the Company may continue to process his or her personal data in cases allowed by the applicable legislation.
- 9.11. The User agrees to receive advertising materials from the Company or third parties by order of the Company on the e-mail address and the mobile phone number that the User provided to the Company throughout the use of the Website and the duration of this Agreement.
- 9.12. At any time the User is entitled to withdraw his or her consent to receive advertising materials by clicking through the link provided in the advertising materials received by the User.
- 9.13. The Company may share the personal data with law enforcement officials and other authorities within litigation or as part of the investigation pursuant a court order, injunction or in order of cooperation, as well as in other cases stipulated by applicable law.
- 9.14. The Company may share the personal data with third parties in order to reveal or suppress fraud or fix technical bugs or eliminate security problems.

10. Taxes

- 10.1. All the User's factual and potential tax obligations are the User's concern and the Company is not in any case, and under no condition, bound to compensate for the User's tax obligations or give the User any advice related to tax issues, including but not limited what kind of filing or reporting the User needs to do with the competent tax authority, which taxes and to which extent the User is obliged to pay and which tax exemptions the User is eligible to utilize.

11. Miscellaneous

- 11.1. The Parties agree to use electronic signatures while delivering all necessary documents or claims. The Parties confirm that documents and claims signed by electronic signature have the legal effect and are to be accepted and considered by the Parties. The Parties confirm that all e-mails sent from the authorized e-mail addresses are deemed to be sent and signed by the Parties.
- 11.2. Notices sent by e-mail in accordance with these Terms shall be deemed to be sent on the date on which the e-mail is confirmed as being sent provided that day is a working day.
- 11.3. The Parties consider the following e-mail addresses as authorized:
- 11.3.1. For the Company: info@agopoliscoin.com;
 - 11.3.2. For the User: e-mail address provided by the User when registering on the Website.
- 11.4. All communications and documents to be made or given pursuant to this Agreement must be in the English language.

- 11.5. Until one Party advises the other one of the fact of the breach of security in respect of its authorized e-mail address, all actions and documents done and sent from the authorized e-mail address of one of the Parties, even if these actions and documents have been done and sent by third parties, are considered to be done and sent by the owner of the authorized e-mail address. In that case the owner of the authorized e-mail address acquires all rights and incurs all obligations, as well as bears the liability arising out of these facts.
- 11.6. Except as expressly provided in this agreement, a person who is not a party to this agreement has no right to enforce or enjoy the benefit of any term of this agreement. This does not affect any right or remedy of a third party, which exists, or is available, apart from under that law.
- 11.7. This Agreement constitutes the entire agreement and understanding of the Parties and supersedes any previous agreement between the Parties relating to the subject matter of this Agreement.
- 11.8. If at any time any one or more of the provisions of this Agreement is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction neither the legality, validity or enforceability of the remaining provisions of this Agreement nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall be in any way affected or impaired as a result.
- 11.9. The Company's rights powers and remedies under this Agreement are cumulative and are not, nor are they to be construed as, exclusive of any rights, powers or remedies provided by law or otherwise and may be exercised from time to time and as often as the Company deems expedient.
- 11.10. In the case of insolvency, winding up or dissolution of the Company (or any other similar process in any applicable jurisdiction) any claims of the Users shall rank pari passu with all other unsecured creditors of the Company.
- 11.11. Headings are inserted for the convenience of the parties only and are not to be considered when interpreting this Agreement. Words in the singular mean and include the plural and vice versa. Words in the masculine mean and include the feminine and vice versa.
